

FAIR LOCALS

Don't fail to see the Southern Railway's exhibit next week at the Fair.

Come to the Fair, open up, don't be a clam.

A county fair is the only bond which can unite all the people of a county into a social and financial brotherhood. All the preachers of all the denominations, all the doctors, lawyers, teachers, merchants, and farmers, with their wives and mothers and brothers and sisters and children can come to the grand lodge of the county, and all pow-wow and fellowship together and smoke the peace pipe as one tribe.

Next Tuesday morning the Jackson County Fair opens four days and nights. Get up your exhibits now; it is not too late.

Horse races and base ball three out of the four days at the Jackson County Fair.

Remember that that the direct too many attractions at the Jackson County Fair next week to mention half of them.

Want you feel bad when you hear the band strike up, and see the children and old soldiers march to the strains of Dixie, and see the balloons go up, and hear the people shout for the winners in the horse races, and cheer their favorite players in the base ball games, and hear the fiddle and clatter of the mid-way if you don't go to the Jackson County Fair next week.

You can't afford to miss your own fair. You may think you can but you just can't.

Come to the County's great annual love feast next week, and let the happy faces of your fellow county men and boys soften your hard selfish heart. As for the women and girls, why there could be no fair without them. To see them is worth twice the price of admission.

"All aboard" for the Jackson County Fair—next Tuesday, Wednesday, Thursday and Friday, and every night.

The nearer home you spend your money the more of it comes back to you. "Patronize home industries" applies with peculiar force to a county fair, because, in way, it is each man's industry. Moral: take in all of your own fair next week.

A County fair is a big annual market day. You may have something to sell, as you may wish to buy something.

Remember that the Jackson County Fair is not Sylva's fair, or Dillsboro's, or Webster's Fair, or any other town's fair. The people of the whole county own it, and it will take all of them to run it right.

The track at our fair grounds has been put in fine condition with the steam scraper and roller, and the racing will be fine.

The winners will be awarded purses by the Fair Association.

The fair gates will open at 7:30 A. M. and the exhibition will begin at 8 A. M.

Bring the best of each kind of product you have on your farm to the Jackson County Fair. It will not cost you anything to enter them, and if you don't get the first or a lower premium you will make the winners feel good to think they have won over so many competitors.

ors and stockholders of the Jackson County Fair are scattered all over the County; remember that the Fair is a county institution, that all Western North Carolina is interested in the Fair's continued success and that you Mr. Man, of Jackson County, are responsible for the great county enterprise.

Our fair next week will be the biggest ever held here and the best in every way.

Who could stay away from his own County Fair? Away from a gay and happy crowd of friends and neighbors with bright eyes, glad faces, warm hearts and hearty greetings? We are all children of the same Father.

Jackson County Fair next Tuesday and three following days.

In the event of a rain during our fair there is plenty of shelter for every body, no matter how big the crowd.

The peaks of old Jackson's mountains are watching her sons and daughters to see if they love the old county enough to meet and greet each other on one of the happiest and most useful occasions that can call them together.

Many of the schools will give a week's holiday during fair week. This is right. Four days of observation at the fair will be worth more than six days of book "larnin".

If the teachers would have essays on the fair, from their pupils, the following week, it would be worth still more in the way of practical education.

Tell your boys and girls to examine all the exhibits and the curious and new things they see, and have them describe all they can remember.

Jackson County is the best and richest undeveloped County in the State. A successful County Fair will do more to develop it than anything else. It will stimulate both our pride and our energy, and unite us for our common good. Then come out for a week of profit and enjoyment, and leave politics, selfishness and prejudices behind. Come; for the hearts of your fellows are calling you.

A County Fair is a social protracted meeting and cannot fail to result in a social revival if all come in the right spirit—the spirit of love.

THE COUNTY FAIR

(A Paraphrase)

The county fair is comin back—The poster sheets are everywhere And almost everybody now Is whooping up the county fair.

We've had enough of 'tomobiles—We want the big fat hog, The big fine range, the blooded dog, And go plum through the catalog

Cheer manner of the county fair We're tired o' bowing here and there We want to yell "how are ye, Bill" And feel the hand that's got the thrill

And leaves no feelin faint or chill
